WILSON DELEGATES ARE OUT FOR HUGHES

Both Consider That the President Has Harmed American Prestige.

(Special Dispatch to West Virginian)
NEW YORK, Oct. 11.—Two Milwaukee Democrats who were delegates to the Baltimore convention in 1912 and who were among the first to vote for the nomination of Mr. Wilson have declared for Governor Hughes. It was announced today at the headquarters of the National Hughes alliance. The men are A. B. Dick, and Max Hottelot. Both have been enrolled in the Democratic committee of the Hughes alliance.

Mr. Dick says, in his letter to the alliance "as a Democrat I am supporting the candidacy of Charles E. Hughes because I am convinced that the moral welfare as well as the material interests of the nation require that its affairs be now placed in charge of an administration that can be expected to restore this country to its proper place in the respect of the world; that there shall be placed at its head a man alive to the true spirit of Americanism."

Mr. Hottelot said: "Since 1884 I have voted without exception for every candidate nominated by the Democratic party, but I cannot support Mr. Wilson for re-election because I do not approve either his domestic or his foreign policy. I think the so-called eight hours law was passed hastily without proper investigation it does not provide that eight hours shall constitute a day's work, and therefore is only fixing wages for certain classes of workmen and does not pay any attention at all to the great mass of workmen. An expedition was sent to Vera Cruz by President Wilson; in order to compel Mexico to salute the flag. Shots were exchanged and the American flag was withdrawn and the American flag has not been saluted yet."

President Wilson mobilized the regular army as well as the militia in order to catch Villa dead or alive. The troops have been withdrawn and Villa is still alive. I think this is a policy unbecoming to the United States of America. I think the President has changed his mind so rapidly that it is impossible for anyone to follow him. Therefore I must decline to support him."
